Vinification

Aged for 12 months in barriques. Total production about 7500 bottles.

Grape varieties

100% Barbera

Alcohol

15.5%

Format

75 cl

### BOERI

The winery is located in Costigliole d'Asti. This small town, steeped in history, lies between Langhe and Monferrato. The production of great wines from this area has made the surrounding hills world-famous. The Azienda Boeri produces already in the 4th generation the renowned Barbera d'Asti DOCG and Moscato d'Asti DOCG, together with other typical wines of Astigiano. The winery, with 10 hectares of vineyards, is situated on the Collina Bracco Quaglia, a hill which is bathed in sunshine from early to late.
