KOMMINOTH

Since the Komminoth family pressed their first own wine in Maienfeld in 1980, their enthusiasm for the traditional Pinot Noir as well as for always new things has increased from year to year. The tendency to an ever improving quality is a matter of course for them, meanwhile Komminoth is one of the best addresses in the Bündner Herrschaft. Today, about 3.7 hectares of vines are cultivated. The total area is spread over 15 plots in and around Maienfeld and are located in the best locations for top wines.
