LYNUS

Bodegas Lynus is located in Quintanilla de Arriba, Valladolid, in the Gold Mile of the Ribera del Duero DO. The 14.5 hectares of vines, exclusively Tempranillo, are distributed in three different pagos. The Pago Cachapuz, at 860 meters above sea level, is the highest point of the Duero. The pagos of Roldan and el Moro, border each other at 820 meters above sea level but with different orientations and soil conditions. The soils are made of very permeable fine material and limestone rocks, formed by the sedimentary deposits of the Douro. This diversity of terroirs and climatological conditions form the delicate character of the wines.
