Vinification 5 months used French oak barrels.

Grape varieties 100% Manto Negro

Alcohol 14.5%

Format 75 cl

SANTA CATARINA

Bodega Sta Catarina was founded in 1984 by Stellan Lundqvist in Andratx, in the Sierra de Tramuntana. It was a successful winery with wines made from French grapes until Stellan fell ill in 2002. At this point, the family rented out the vineyard and cellar to third parties in order to concentrate on themselves. In 2014, after Stellan's death, a new era began for the bodega. His wife and children decided to resume wine production with a new concept based on the local varieties of Mallorca and the production of Mediterranean wines.
